

# **ENI SEIS II Project's achievements in Ukraine**

# 1. Air

Activity area 1.1: Support to national capacities to respond to international commitments in priority areas.

#### **Project achievements:**

- The data of the Ukrainian Hydrometeorological Center are estimated;
- The terms of reference for exchange of air quality data software between the Ukrainian Hydrometeorological Center and the Ministry of Environmental Protection and Natural Resources have been developed;
- A Memorandum of Cooperation between the Ukrainian Hydrometeorological Center and the Ministry of Environmental Protection and Natural Resources was signed;
- Practiced and applied the EU Air Quality Index methodology;
- Integrated data and information
- Launch the Air Quality portal <a href="http://seis.menr.gov.ua/air/">http://seis.menr.gov.ua/air/</a>
- Evaluated the status of air quality data monitoring and producing and sharing a near-real time Air Quality Index with EEA. <a href="https://www.eea.europa.eu/themes/air/air-quality-index">https://www.eea.europa.eu/themes/air/air-quality-index</a>
- Increasing the use and public accessibility of air quality measurement data

#### **Trainings and Meetings:**
