

Institutional agreements for sharing and disseminating environmental and related information in the Republic of Moldova

Veronica Lopotenco

ENI SEIS II East NFP

Ministry of Agriculture, Regional Development and Environment

Republic of Moldova

Institutions:

- ▶ Ministry of Agriculture, Regional Development and Environment
- ▶ National Bureau of Statistics

- ▶ Environmental Agency
- ▶ Agency “Apele Moldovei”
- ▶ Environmental Inspection
- ▶ Agency for Geology and Mineral Resources
- ▶ State Hydrometeorological Service

Agreement:

- ▶ **Common Order of the Ministry of the Environment and the National Bureau of Statistics of May 20, 2009 no.25 / 58 regarding the establishment of the working group for:**
 - improving the national system of statistical indicators;
 - improving methods of organizing the collection and processing of information on the state of the environment in accordance with the international requirements in the field.

- ▶ **Annual common Order between MARDE and NBS:**
 - approval of the environmental report forms;
 - approval of the collection system.

Reports:

- ▶ No 1 - Geo "Carrying out geological exploration work"
- ▶ No.1 - Water management "Water use"
- ▶ No. 1 - "Expenditures for the environment protection";
- ▶ No. 1 - "Atmospheric air protection";
- ▶ No. 1 - "Toxic Waste generation, use and neutralization";
- ▶ No. 2 - "Waste generation and use of waste;
- ▶ No. 1 - Ozone "Consuming of the ozone depleting substances"

Environmental Agency:

- ▶ Newly established institution dealing with:
 - environmental monitoring,
 - environmental information,
 - state of environmental report,
 - dissemination of environmental information.

Cooperates with NBS by exchanging data on: air quality in the main cities, calculation of pollutant emissions in air from mobile sources, calculation of the emissions of the GHG from different sectors, etc.

Agency “Apele Moldovei”

Collecting and elaborating the "Water use" report which contains:

- water capture,
- water use,
- water use through the closed circuit system and consecutive,
- wastewater discharge,
- transport losses.

Agency “Apele Moldovei” submit the report to the NBS for publication and dissemination of the aggregated information.

State Hydrometeorological Service

SHS presents:

Key Climate Indicators like:

- air temperature (min., max., average),
- the amount of atmospheric precipitation (monthly, annual),
- Wind speed (min., max., average), duration of sunlight.

Collaboration with NBS consists in exchanging and dissemination of the information.

Dissemination of the information

- ▶ State of Environmental report (published on the web page of the MARDE, on www.date.gov.md portal),
- ▶ Natural resources and environmental in the Republic of Moldova (elaborated and published by BNS),
- ▶ Environmental indicators (published in the NBS web page),
- ▶ Reporting to the Convention (UNFCCC, Ozone Convention, CLRTAP etc.),
- ▶ Informational systems (Waste management, PRTR),
- ▶ Publishing data on governmental open data portal.

THANK YOU FOR YOUR ATTENTION

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the frame, creating a modern, layered effect against the white background.
