

Roadmap - example

Informing the EU policy framework

Birds Directive

Habitats Directive

Marine Strategy Framework Directive

Integrated Maritime Policy

Maritime spatial planning Directive

European Agency for the Maritime and Coastal and Marine Waters

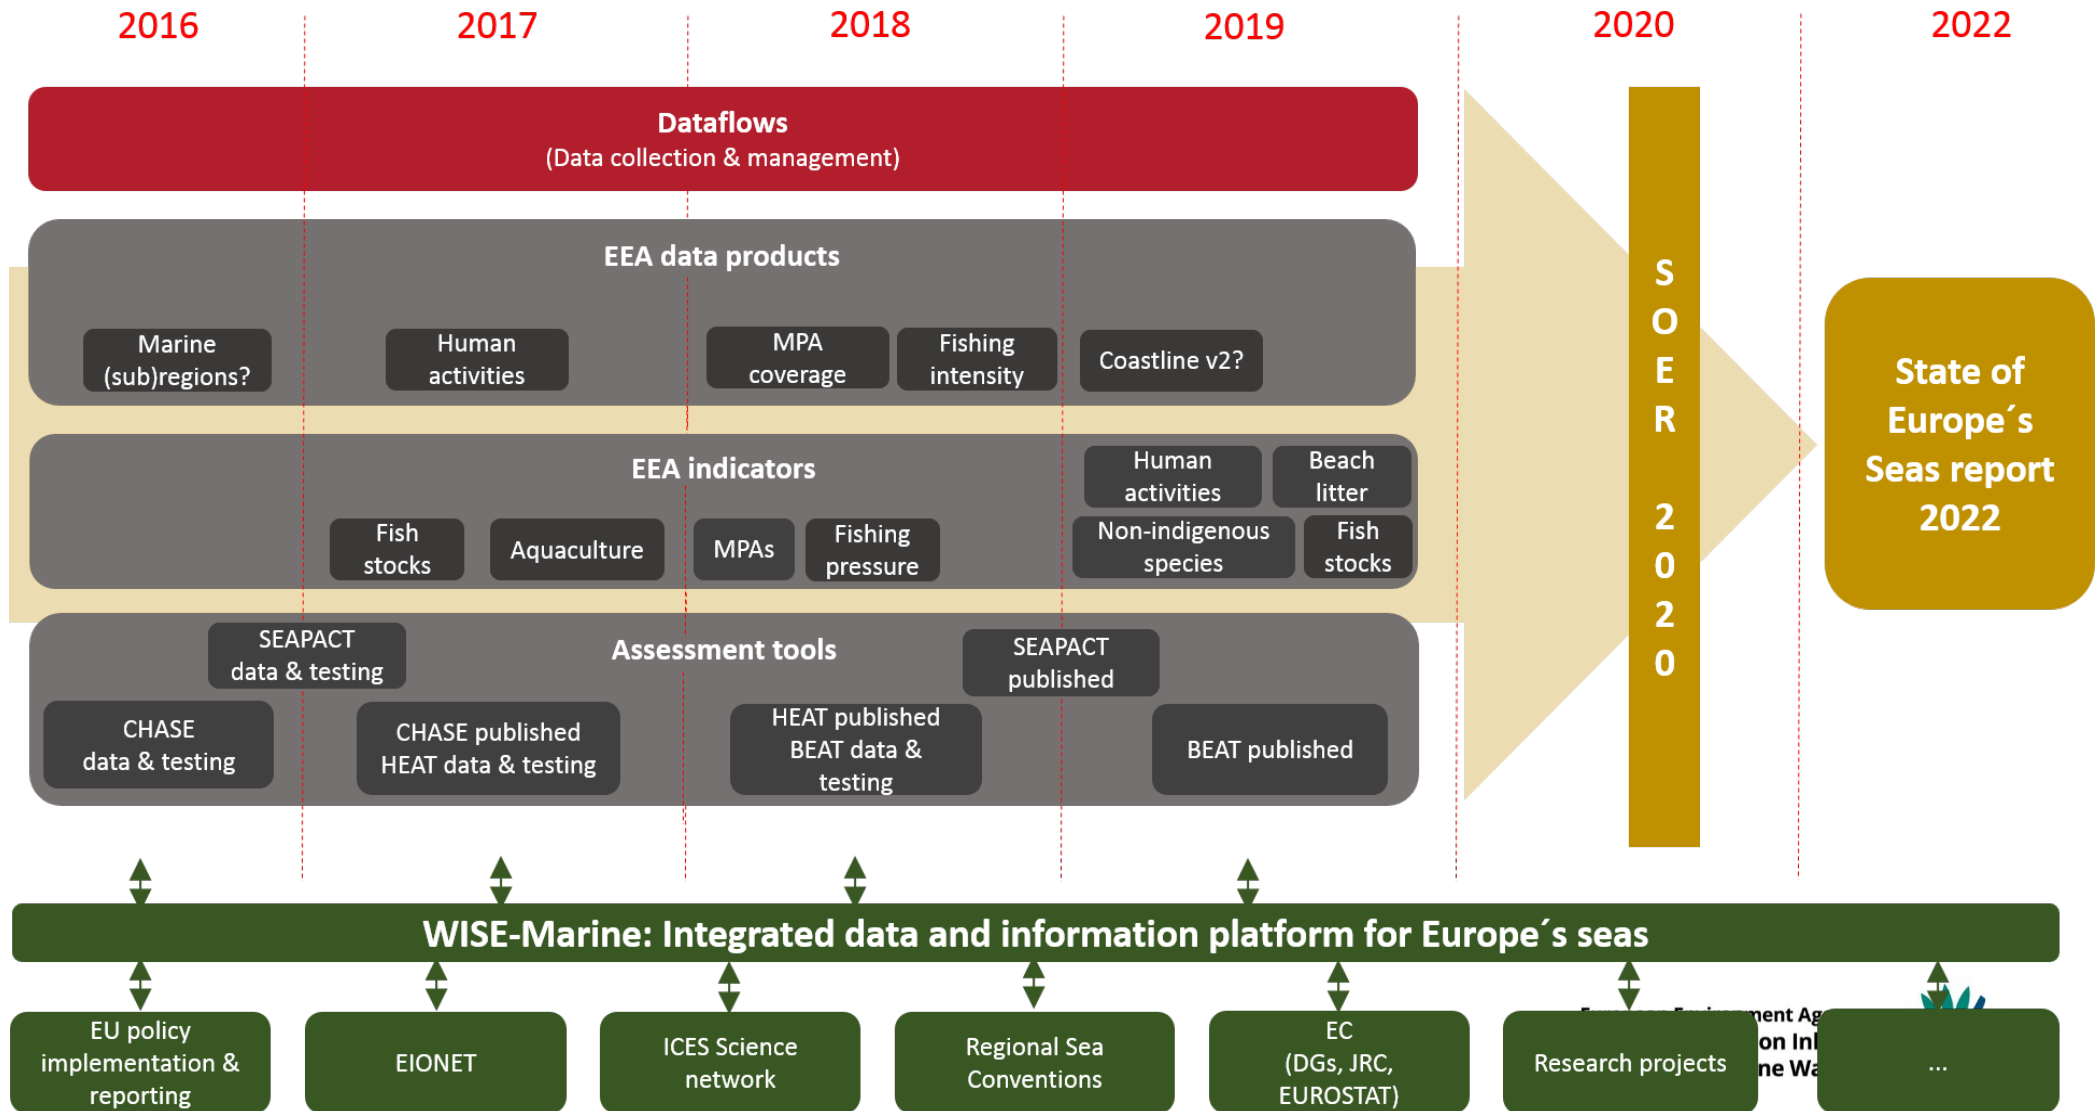

Roadmap table for some ETC freshwater activities

Level 3	No.	Description of task	2015			2016				2017				2018				
			2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	
1.5.1 WFD assessments on status and pressures	1	Prepare EEA WFD assessment on status and pressures; 2016 key deliverable; ecological status assessment also as input to natural capital cross-cutting assessments and joint implementation of WFD/FD/BHD/MSFD.	Prepare	Prepare	Prepare	Collect	Assess	Assess	Assess	Draft	Draft	Draft	Publish					
	2	Development of assessment framework for synergies between WFD other water policies (Directives on Floods, Urban Waste water Treatment, Bathing / Drinking water) and nature policies will be included in 2017/18 (task 3 in the EEA/ENV WFD cooperation).				Prepare	Prepare	Prepare	Prepare	Assess	Assess	Assess	Draft	Draft	Draft	Publish		
	3	Prepare European assessment of eutrophication abatement measures and contribution to integrated European assessment on eutrophication across land-based sources for inland and coastal waters (<i>cooperation with marine tasks 1.6 + 1.7</i>); key deliverable: EEA Technical Report as contribution to the EEA 2017 State of Water Assessment.	Prepare	Prepare	Assess	Assess	Assess	Draft	Draft	Publish								
	4	Update of EEA CSI/Refresh indicators – FW ecosystems (C2)				Collect	Assess	Assess	Assess	Draft	Draft	Draft	Publish					
	5	Update of EEA CSI/Refresh indicators – water pollution and quality C3 +C4 (old CSI 019 +020)			Collect	Collect	Assess	Draft	Publish		Draft	Publish	Collect		Draft	Publish		
	6	Update of EEA CSI/Refresh indicators – Agriculture pressures to Water (C7, based on CSI 018,020, SEBI 019 and AEI 17)		Prepare	Prepare			Draft	Publish									
	7	Prepare Report on water in urban areas/cities; publication as EEA Technical Report	Assess	Assess	Assess	Assess	Assess											
	8	Support and contribute to European Commission's policy developments (policy evaluation, analysis, communications)	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support	Support

Plan for EEA marine data & information platform

Marine roadmap outline

CONTENTS

Rationale of this document	2
The EEA's multiannual objectives to develop marine knowledge	3
EU marine policy framework	5
EEA marine assessments - towards 2020 and beyond	6
WISE-Marine and the EEA marine data and information platform	13
Risk and challenges.....	20
Annex I - The wider context of EEA marine activities	22
Annex II – EEA partners: roles and responsibilities	24
Annex III – Detailed planning towards 2022	26
Annex IV –Data and Information mechanisms supporting the Roadmap.....	29
Annex V –Networks and Meetings (ETC/ICM marine team)	32
