

TOOL FOR SELF-ASSESSMENT OF DATA MANAGEMENT

RELEASE OF TOXIC SUBSTANCES AND NUTRIENTS FROM INDUSTRIAL SECTORS

Description

The indicator refers to the emissions from industrial sources and/or from individual facilities within the Mediterranean coastal zone with regard to substances like BOD, COD, Nitrate, Nitrite, Ammonium, Total Phosphorus and Orthophosphates.

Premise

Considering that all the countries involved in the ENI SEIS II South project are Contracting Parties to the Barcelona Convention in which several data flows are activated (see NBB, MEDPOL, BCRS..etc), please contact us if the answers to the following questions are already in the MAP.

Data on the entity or organization

1. Name of the organization
2. Address of the organization
3. Main activity
4. Telephone number
5. Fax number
6. Email
7. Website
8. Type of organization:
 - Ministry
 - University
 - Governmental organization
 - Public sector
 - Research entity
 - Other

Data on the questionnaire editor

1. Name of the questionnaire editor:
2. Job
3. Email
4. Telephone number

Question 1

Do you have available datasets on release of toxic substances and nutrients from industrial sectors?

- Yes

- No

If yes, please precise them

If not the case, could you explain why and indicate if in the future you are thinking of collecting data?

Question 2

Could you indicate the data provider for each dataset? (specify)

Question 3

3a-Is data collected centrally or collected locally and reported to central administration and in what frequency?

- Central administration collects the data (specify frequency)
- Local administration collects the data (regional directorates, municipalities etc. and specify frequency)
- Both (please explain)

3b- In case it is central administration, do you have a specific department which is explicitly in charge of collection and management of this indicator?

- Yes (Indicate please the name of the department)
- No (please explain why)

Question 4

How those datasets are managed?

- Information system
- Thematic database
- Excel file
- other

Question 5

Could you indicate the methodology used to collect the data at source? (Please specify)

Question 6

Could you indicate the data collection frequency and when the last data collection was performed?

Question 7

Do you have ELVs (Effluent Limit Values) for industry on BOD/COD, TP, TN and other toxic substances?

- a) Yes (give room for explanations which substances?)
- b) No (give room for explanations which substances?)

Questions 8

Do industrial facilities have to report to central authority about their measured effluents?

- a) Yes, (interval?)
- b) No (explain) (give room for explanations)
- c) Others (give room for explanations)

Questions 9

Under which conditions, industrial facilities are allowed to discharge to the sewerage system?

(Please specify)

Question 10

Are the collected data subject to a quality process?

- ☐ Yes
- ☐ No

If yes, what type of QA/QC is performed?

If not the case, could you explain why?

Question 11

Do you have master plan for industrial wastewater management in your country?

- ☐ Yes
- ☐ No
- ☐ Other (please specify)

Question 12

Do you have Organized Industrial Zones dedicated explicitly to industries in your country which are obliged to keep records of the industrial effluents discharged?

- ☐ No (please specify)
- ☐ Yes (please specify)
- ☐ Other (please specify)

Question 13

Could you indicate the geographical coverage?

- ☐ National
- ☐ Coast region
- ☐ Coast city
- ☐ Coastal hydrologic basin
- ☐ Other (please specify)

Question 14

Could you indicate time series available for the collected datasets?

Question 15

Could you indicate the data format?

- ☐ CSV
- ☐ Excel
- ☐ XML
- ☐ Word
- ☐ Html
- ☐ Pdf
- ☐ Access database (Mysql, Postgresql)
- ☐ Shape file
- ☐ Other (please specify)

Question 16

Are the data publicly accessible?

- ☐ Yes
- ☐ No

If yes, how data accessible from an external network?

- ☐ Yes, through web services or web API
- ☐ Yes, through file transfer (i.e.FTP)
- ☐ Other (specify)

Question 17

Is the dataset is relevant for other national and/or international reporting obligation?

- ☐ Yes (specify Plan Bleu, Medpol, NAP, UNSD, etc. other)
- ☐ No

Question 18

Is there any specific data policy in place for those datasets?

- ☐ Yes (please specify)
- ☐ No

Question 19

Are those datasets part of Spatial Data Infrastructure (SDI)?

- ☐ Yes (please specify)

- ☐ No

Question 20

What language is used?

- ☐ English
- ☐ French
- ☐ Other
