

Specific privacy statement – ENI SEIS II South Support Mechanism Project

The personal data you provide to register to the ENI SEIS II South Project website, is processed in accordance with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 18 December 2018 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

The event¹ you are registering for and the associated processing operations are under the responsibility of the EEA project manager organising the specific event, acting as data Controller, regarding the collection and processing of personal data. You may find out who the responsible project manager is on our website, in the page of the event.

1. Purpose(s) of the processing

Your personal data is collected and further processed for the purposes of coordinating, organising and managing events; this includes in particular:

- The creation of contact lists, the dispatch of invitation letters, the establishment of participants attendance lists, the creation of badges for access to the EEA premises, the drafting and publication of minutes and/or reports, news and action lists, the management and publication of feedback survey, the creation and management of mailing lists for future meetings, news and/or publications;
- the reimbursement of your travel and subsistence expenses;
- Photographs/pictures, presentations, live web-streaming and/or audio and video recording of speakers and participants including on internet/intranet in the context of the meeting and for communication and education purposes; in such cases, you may request to opt-out if you prefer your image is neither recorded nor published on any support.
- Your personal data will become part of a database (please see notification DPO No COM6 on CRM) with the purpose of facilitating our future interaction with you as a stakeholders in your areas of interest. If you do not wish to be included in this database, you should address your request in writing to subscriptions@eea.europa.eu.

2. Recipients of the data processed

For the purposes detailed above, access to your personal data is given to the following persons, without prejudice to a possible transmission to the bodies in charge of monitoring or inspection tasks in accordance with European Union law:

- EEA staff responsible for the organisation and management of the event;
- The chairperson and the secretary of the event and the responsible EEA project manager(s);
- In order to keep the network of participants operational, a contact list of participants is shared between the attendees; likewise, the report/minutes of the event, including a

¹ “Event” in this statement may also refer to meetings, workshops, conferences, seminars.

presence list, is shared between the participants and distributed to all organisations represented in the meeting/workshop/conference/seminar/event

- EEA staff responsible for the reimbursement of your travel and subsistence expenses;
- Some of your personal data (name, surname, position, organisation and email address) will be published on the ENI SEIS II South project website. If you do not agree with the publication of your personal data, please inform the data controller in writing by using the contact information specified in the invitation to the relevant meeting;
- For speakers only: The name, profile, picture, short CV and presentation(s), if provided voluntarily by the speaker, will be displayed on the EEA website and associated to the video recording of the speech; no personal data is added for interventions not in the agenda (e.g. questions from the public).

Documents and material produced in relation to the meeting may also be disclosed to the public subject to the provisions contained in Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to documents.

No personal data is shared with third parties for direct marketing purposes.

3. Categories of data processed

The only personal data collected and further processed is the information you provide in connection with your interaction with the ENI SEIS II South project. The information may relate to all or part of the following data: your title, name, professional contact details (e-mail address, telephone number(s) (direct and mobile), employer's name and address), bank account details, information pertaining to your reimbursement claim (e.g. means of transport, country of residence, accommodation invoice), live web-streaming and/or audio and video recording of speakers and participants, presentations of speakers could be published in the context of the meeting or for communication and education purposes]. For access to the EEA premises, you are required to show an identification document (passport or ID card).

4. Modalities for the processing operation

Personal data is provided via an online form. Your personal data is processed manually when the EEA staff member(s) responsible for the encoding the data in the EEA meeting system. Your personal data is then processed in an automated way for the management and administration of the events, e.g. for generating email communications, processing reimbursement, etc. For the purpose of the management and administration of the meeting, the responsible data controller maintains a filing system (on paper and electronic) in ad hoc files.

5. Right of access and rectification

You have no direct access to the data stored. If you wish to verify, modify or delete any of your personal data, you should address your request in writing by email using the following address: eni-seis2@eea.europa.eu Any request for access or rectification of personal data shall specify explicitly the object and purpose(s).

Special attention is drawn to the consequences of a request for deletion, which will imply that any possibility to contact you will be lost.

6. Legal basis

The processing of your personal data is necessary for the performance and support of the numerous tasks carried out by the EEA as mandated by Regulation (EC) No 401/2009 of 23 April 2009 on the EEA and Eionet, and in particular Article 2 thereof, and for the internal management and functioning of the EEA.

In addition, it is necessary for compliance with the legal obligations stated in the financial rules applicable to the general budget of the European Union and its rules of application.

7. Data retention

Your personal data is kept as long as necessary for the purposes of the organisation and management of the related event, as well as for any follow-up actions that may entail. Your personal data, with the exception of those necessary for the reimbursement of your travel and accommodation expenses, will generally be deleted from databases 5 years after the end of the ENI SEIS II South project.

For the purpose of the reimbursement of your travel and subsistence expenses, your personal data will be kept in the Agency's accounting system for a period of 7 years from the date on which the payment was processed, in accordance with the requirements set in the applicable financial rules. Only aggregated and anonymous personal data is processed and kept for statistical purposes after that date.

Photographs/pictures, presentations, live web-streaming and/or audio and video recording of speakers and participants including on internet/intranet in the context of the events and for communication and education purposes will be kept for as long as the speakers and/or participants request the EEA to remove their personal data.

8. Right to appeal

You are entitled to have recourse at any time to the European Data Protection Supervisor (<https://edps.europa.eu>; edps@edps.europa.eu) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the EEA.

You may also contact the EEA's Data protection Officer (DPO) in case of any difficulties relating to the processing of your data at the following email address: DPO@eea.europa.eu.
